Kestrel Ridge Software: Benefits summary

Plan year 2027 (January 1 to December 31, 2027) | Owner: People Team

This summary describes the main benefits for full-time employees. The plan documents from each provider have the full details, and they apply if anything here differs.

1. When each benefit starts

Benefit	When coverage starts for a new employee
Medical insurance	Your first day of employment
Dental insurance	The first day of the month after you complete 60 days of employment
Vision insurance	The first day of the month after you complete 60 days of employment
Life insurance (2x salary)	Your first day of employment
401(k) retirement plan	You can join from your first paycheck. Company matching starts after 6 months.
Employee assistance program	Your first day of employment

Example: if you start on Monday, March 1, 2027, you complete 60 days of employment on Thursday, April 29, 2027, and your dental coverage starts on Saturday, May 1, 2027.

2. Medical

You can choose between two medical plans, Standard and Plus. The company pays 85% of the premium for employee-only coverage on either plan, and 70% for family coverage.

3. Dental and vision

The dental plan covers two checkups and cleanings a year at no cost, and 80% of fillings. The vision plan covers one eye exam a year and US$150 toward glasses or contact lenses.

4. Retirement

After 6 months, the company matches your 401(k) contributions dollar for dollar, up to 4% of your salary.

5. Wellbeing

- Employee assistance program: free, confidential counseling and advice, 24 hours a day, on (614) 555-0151.
- Gym discount: 20% off membership at two partner gyms near the office.
- Learning budget: up to US$1,000 a year for courses related to your role, with your line manager's approval.

6. Changing your benefits

You can change your choices during open enrollment each November, or within 30 days of a life event, such as marriage or the birth of a child.
