Print this page and cut along the dotted lines. Keep one card by the phone and give one to a relative.

STOP AND VERIFY

Before you send money or information because of a call, message, or video

1. **Stop.**
   Urgency is the scammer's main tool. A real emergency can wait two minutes while you check.
2. **Hang up and call back**
   on a number you already have, not one given in the call or message.
3. **Ask a question only they would know,**
   or ask for your family code word.
4. **Check with someone else,**
   such as another family member, even if you were asked to keep it secret.
5. **Never pay with gift cards, cryptocurrency, or wire transfers**
   because of an unexpected call or message.

Family code word: agreed in person, never shared online. Don't write it on this card.
